To be honest with you, I haven't been impressed with any of the Italian restaurants I've tried in Cape Coral.

I do like the small Buon Appetito Cafe in Fort Myers though. It's just a small family run place, but the food is great.

I'm curious to see what this new Wine and Roses restaurant on Cape Coral Parkway will offer. From what I understand, they are going to be an Italian restaurant. Does anyone know if it's open yet?

I drove by Wine and Roses on Cape Coral Parkway today...looks like it still hasn't opened yet. There's a big sign in the front window that says something to the effect of "Coming Soon".

I'm curious too...does anyone have any other information on this restaurant?

I agree with the reviewer...I went to Wine and Roses, I didn't care for it either. Too Bad. I had high hopes for this place. The last thing Cape Coral needs is another mediocre restaurant.

Everyone's saying the same thing about this place...Stay Away.

Too bad.
